The W-Series

Your Best in Screw Connection Technology: The W-Series

Our W-Series terminal with screw clamp connection has set the standard for decades. We offer you solutions for conductor cross-sections from 0.06 to 300 mm² and all common electrical functions. We give you the choice of plug-in (ZQV) or screw-in (WQV) cross-connections within one modular terminal. Our W-Series saves you more time than any other screw terminals on the market!
